About Us

Our Organisation

Saints College provides a safe, inclusive, and flexible learning environment for young people who have become disengaged from mainstream education. Our team is committed to supporting young people in re-engaging with learning through a personalised and trauma-informed approach that meets their individual needs.

We prioritise building honest and authentic relationships with young people, their families, and communities, fostering a culture that values, supports, and celebrates the dignity and uniqueness of each person.

Guided by the vision of Edmund Rice and the transformative power of education, we empower young people to achieve personal growth, academic success, and social connection, enabling them to build positive futures.

Our Structure

Saints Education is an initiative of Edmund Rice Education Australia (EREA), and operates as part of EREA Victorian Schools Ltd. It oversees a diverse range of educational services, including Saints College, Saints Knowledge Institute and Saints Early Years. Saints College operates across multiple campuses in metropolitan Melbourne and regional Victoria, including BlendED and Fitzroy North College, providing flexible, inclusive, and trauma-informed education.

As part of the EREA network, Saints Education is committed to fostering a supportive and empowering learning environment that reflects the values and vision of Edmund Rice. We offer a full-time, multi-year secondary education program tailored to meet the needs of young people who have disengaged from mainstream

education, ensuring every individual is supported on their path to personal growth and success. We work closely with families, community organisations, and support services to provide wraparound care that addresses both educational and personal development needs.

Our Young People

The young people we work with come from diverse backgrounds and may face a range of barriers to education, including:

- Experiences of trauma or adversity
- Mental health challenges, disability and/or neurodivergence
- Significant gaps in learning
- Experiences of exclusion or suspension from mainstream education
- Experiences of school can't/ school refusal
- Involvement in out-of-home care or the child protection system
- Experiences of homelessness or housing instability
- Responsibilities as young parents
- Generational cycles of poverty, early school leaving or unemployment
- Interaction with the youth justice system

We recognise that each young person's journey is unique. Our staff are committed to providing a safe, respectful, and empowering learning environment where young people can develop confidence, reconnect with education, and work towards their goals.

Our Values

Saints College operates under four key principles that guide our daily interactions and community culture:

- **Respect** – Valuing each person's dignity, voice, and lived experience
- **Honesty** – Fostering trust and truthfulness through open and authentic communication
- **Participation** – Encouraging young people to actively engage in their learning and personal growth
- **Safe and Legal** – Creating a secure and structured environment where all community members can thrive

This framework, known as Operation by Principles, is a defining feature of our approach. It establishes a common ground foundation for all members of our community—young people, staff, and families—ensuring that relationships, learning experiences, and conflict resolution are built on mutual understanding and shared responsibility. Through the use of Unconditional Positive Regard, strength based neuroaffirming practice with a trauma informed lens, we create an inclusive, safe, and empowering learning environment where young people can thrive academically, socially, and emotionally.

Our Commitment to the EREA Charter and Touchstones

As part of the Edmund Rice network, Saints Education is committed to the principles of the **EREA Charter** and its four Touchstones:

- **Liberating Education** – Providing innovative and inclusive learning opportunities
- **Gospel Spirituality** – Fostering a culture of compassion, hope, and social justice
- **Inclusive Community** – Welcoming and valuing diversity, ensuring all young people feel a sense of belonging
- **Justice and Solidarity** – Advocating for fairness, equity, and the dignity of all

The EREA Charter and Touchstones guide our mission and reflect our commitment to providing a high-quality education that is responsive to the needs of young people. More information can be found on the [EREA website](#).
